SURABI Trust (INM Province):

SURABI (Strategic Urban Rural Advancement Backing Institute) is a Voluntary, Non-profit, and Non-governmental Organization of Chennai Salesian Province. It is the central Project Office that coordinates the socio-economic, cultural and educational development in rural and urban slum areas. Help is given to all those in need irrespective of caste, creed, or religion. This office attends to formal and non-formal academic and technical education, economic sustainability, and empowerment of marginalized communities. In the year 1988, Fr. Tharsius Rathinasamy SDB initiated the steps to establish a CPPD (Commission for Project Planning and Development). The motive was to assist the province to realize the Capacity Building and the Developmental needs of the Province through Fund Raising, Monitoring, Evaluation, and Reporting. In 1992 VIA Don Bosco, Belgium paved the way for better collaboration. In 1993, the SURABI Trust was Registered on 14 February 2003. It has acquired FCRA, 80 G, PAN, TAN, 12AA of the Income Tax Act, 1961. We have acquired CSR Exchange registration as well. SURABI has its registered office in Chennai, South India and it reaches out to more than 51 Salesian communities in 14 civil districts of Northern Tamil Nadu apart from Andaman and Nicobar Islands and Puducherry Union territory.

Background of School:

Don Bosco Higher Secondary School - Nedungadu, founded in 1979, is recognized under the code of Regulation of Government of Puducherry. This school management was taken over in 2011 by the Salesians of Don Bosco Chennai, operating as an unaided educational institution. Nestled in a rural setting, the school is situated in the KARAIKAL block of the KARAIKAL district in Puducherry. Offering education from Grades 1 to 12, the school is co-educational and includes a dedicated pre-primary section. Instruction is conducted in English, and the school is easily accessible via an all-weather road. The school was upgraded as Higher Secondary School in June 2013.

The need for Revitalizing the playground with new play equipment and surrounding

- In essence, revitalizing the playground contributes to the holistic development of children, providing them with a safe, stimulating, and enjoyable environment where they can learn, grow, and interact positively with their peers.
- A revitalized playground can attract children's interest and make the school environment more appealing, encouraging attendance and active participation.
- New play equipment encourages children to engage in a variety of physical activities, promoting overall physical fitness and well-being.
- Upgrading equipment often includes safety enhancements, ensuring a secure environment for children to play and explore without unnecessary risks.
- Upgraded play areas create opportunities for social interaction and collaboration among children, fostering the development of vital social skills.
- Engaging in outdoor play has proven benefits for mental health and well-being, reducing stress and promoting a positive mindset for the children.
