

PROJECT PROPOSAL

Construction of a School Kitchen for Midday Meal Preparation

St. Anne's Middle School

Keelaneduvai, Ariyalur District, Tamil Nadu, 621805. India

Dear APIS,

Greetings from St. Anne's Middle School, Keelaneduvai. St. Anne's Middle School was established in 1939 with a noble mission of providing quality education to children from economically disadvantaged rural communities. For more than eight decades, our institution has been serving the educational needs of children from Keelaneduvai and the surrounding villages of Nettalakurichy, Sathanapattu, Kollapadi, and neighboring areas.

At present, 126 children are studying in our school. Most of these children belong to poor and marginalized families who depend greatly on the support provided through the school, including the nutritious midday meal program.

Background and Need

A healthy meal is essential for every child's growth, concentration, and academic success. However, our school does not have a proper kitchen facility for preparing meals for the children. Food is currently prepared under inadequate conditions, creating challenges in maintaining hygiene, safety, and efficiency.

To provide a safe, clean, and dignified environment for meal preparation, we propose the construction of a dedicated school kitchen. This facility will ensure:

- Hygienic preparation of nutritious meals.
- Safe storage of food materials and cooking utensils.
- Better health and well-being of students.
- Compliance with food safety standards.
- A dignified environment for cooks and staff.

Project Name: *Construction of School Kitchen for School Children*

Location: St. Anne's Middle School, Keelaneduvai, Ariyalur District, Tamil Nadu

Estimated Project Cost: ₹4,86,200 (Indian Rupees Four Lakhs Eighty-Six Thousand Two Hundred Only)

Budget Summary

Particulars	Amount (₹)
Construction of the Kitchen Building	As per the approved estimate
Roofing, Flooring & Finishing	Included
Doors, Windows & Ventilation	Included
Electrical & Water Facilities	Included
Miscellaneous Construction Expenses	Included
Total Estimated Cost	₹4,86,200

Our Humble Request

We earnestly appeal to generous donors, charitable organizations, CSR partners, foundations, and individuals of goodwill to support this important project. Your contribution, regardless of size, will help us provide a healthy and safe environment for our children.

By supporting this project, you are not merely constructing a kitchen—you are investing in the health, education, and future of rural children.

Conclusion

We sincerely request your kind assistance in helping us build this much-needed kitchen facility. Your generosity will make a lasting difference in the lives of our students and contribute to creating a brighter future for the children of our rural communities.

Thank you for your consideration and support.

With gratitude,

Headmaster
